Deadline to Register: April 29th, 2025 @ 12 am (Midnight)

Contact: Professor Marlon Moreno (mmoreno@gcc.cuny.edu)

Cost: **Free!!** Pizza and light refreshments will be available.

Event: The Chemistry Challenge is a quiz-style competition brought to you by the Long Island subsection of the American Chemical Society. The event features a fun, multiple choice test covering 75% General and 25% Organic Chemistry topics. Teams of up to 3 students (or a minimum of 2 students) will compete against each other. A maximum of 2 teams (or up to 6 students) can represent any institution. Gold and Silver metals along with Amazon gift cards will be awarded to the first & second top scoring teams in the 2-year and 4-year institution categories. Each team will be required to bring a smart device such as a cell phone, iPad, or tablet to submit answers. Participants will also be permitted to bring and use basic scientific calculators. Scrap paper and a periodic table will be provided. Winners will be announced at the end of the event! Gifts will also be raffled off to attendees. **Faculty must register student participants but are NOT Required to attend.**

All are welcome to cheer on the participants!!!
