Join us at Pace University as we celebrate our 5th Annual "Chemistry of Love" event!

The day's event includes a keynote address by Kourtney Kelly, NY Medical College, School of Medicine, c/o 2026 and STEM club presentations relating to "love" discussing hormones and brain chemistry, a healthy Blender Bar, lunch, an ice cream bar, fun gifts, and CHEMISTRY BINGO!

*The event is family-friendly and fun for kids (and adults) of all ages - all are welcome! Space is limited and everyone must register (including children).*

**Once registration has reached capacity it will be closed.**
