

Call for 2027 Nominations

Dr. Marie Maynard Daly Award

Presented by the New York
ACS Local section

To honor excellence in the profession and in supporting and encouraging individuals from underrepresented groups to pursue careers in the chemical sciences.

This award honors **outstanding active professionals** in the fields of **chemistry and chemical engineering** who are high achievers in research careers in academic, industrial or government settings, and who have a demonstrated record of successfully mentoring and supporting individuals from underrepresented groups to pursue careers in the chemical sciences. The awardee's career path to excellence should serve as an inspirational model for K-12 students, college students and early to mid-career scientists.

Nominees need to be active professionals in the United States or United States Territories as well as members of the American Chemical Society in good standing.

Nomination package (nominator's form, nominee CV, and two recommendation letters) should be sent as a single PDF to: Daly-award@newyorkacs.org

Deadline: June 2nd, 2026

About Dr. Marie M. Daly

In 1947 Dr. Marie M. Daly became the first Black woman to receive a PhD in chemistry in the United States (Columbia University). In addition to her outstanding research in Biochemistry (proteins, sugars, and cholesterol) she helped support programs to promote the inclusion of underrepresented groups in the chemistry profession.
